

UPDATES TO LCS COVID-19 Back to School Plan

The goal of Lutheran Central is to provide full onsite instruction for your children through a full curriculum while minimizing disruptions yet maximizing safe practices.

To do that, we must

- consider what is **reasonable** within our setting
- take seriously our **responsibility** for the safety of students and staff
- be **respectful** of the level of comfort of all families and staff

At this time masks are highly recommended, but not required for students and staff. However, LCS has added some options available for families in regard to contact tracing.

- **Students may avoid being quarantined as a close contact by PROPERLY wearing a mask at all times (except for lunch) and maintaining a social distance of 3 feet.**
- **Those students 12 years of age or older may avoid quarantining as a close contact if fully vaccinated.**

Lutheran Central has worked hard to social distance classrooms, lunch rooms, and chapel. If you have any questions please feel free to contact the school office at 812-358-2512.

In Christ,

Mrs. Jami Stuckwisch
