

Dear 5th, 6th, 7th, 8th, Grade Parents,

As we look forward to the fall and winter season, it is time to begin thinking about the next fundraiser for the Washington DC trip. Each fundraiser is an excellent way for students to earn money toward the cost of their 8<sup>th</sup> grade DC trip. All of the 5<sup>th</sup>-8<sup>th</sup> graders are encouraged to take advantage of these fundraisers to help earn their way to DC.

The poinsettia fundraiser begins now and ends November 22nd. This time should be used to gather orders and record them on the attached sheet. This year, the poinsettias will be coming from Schlegel's Greenhouse in Indianapolis. The poinsettias are described as 15 inches tall, 14-16 inches in spread, with 5-7 blooms, and in a 6 inch pot. The colors available include red, white, pink, ice crystal (red with white in the middle), and marble (white with pink in the middle). **Each six inch pot sells for \$14.00 which entitles the student to a profit of \$5.50** They will also be offering a winter porch pot. **Each twelve inch porch pot sells for \$50.00 which entitles the student to a profit of \$15.00.**

This year we have also added 5 indoor houseplant options. These range in size from 3in pots to 6 inch pots. The succulents and indoor plants would make great Christmas gifts with the small addition of a decorative pot. These range in price from \$7-24 dollars. **Each student will be entitled to a profit of \$4-12 dollars on the various houseplants.**

**All orders must be returned to the school office no later than Monday, November 22nd. Orders returned after November 22nd will not be processed. The orders must include payment as well.** Checks should be written to Lutheran Central School. On the order form, please make sure that your child's name and grade are filled in at the top. After putting the customer's name and phone number on the form, place the number of plants ordered for each color and the amount paid in the appropriate box. **If any poinsettias are ordered for use in the churches, place the number ordered for that church in the box under the church's name in the "Delivery Location" section of the form.** When returning the form to school, be sure that the totals are recorded at the bottom and that the totals match the amount of money turned in. The original form will be returned to you at the time of pick up. The flowers will be delivered on Wednesday, December 8 and should be picked up between 3:30-5:00pm.

If you have any questions regarding this fundraiser, please contact the school office. Thank you for your continued support.
