

UPDATED COVID-19 Guidance 1/2/2022

If a student tests positive..

- Stay home for 5 days
- Return to school Day 6 if asymptomatic or symptoms are resolving and continue to mask for 5 days in classroom (if unable to mask properly at all times, must remain isolated at home for full 10 days) *Fever-free for 24 hours without medication and other symptoms improving*
- Can resume extracurricular activities on Day 6 if able to wear a mask properly at all times for Days 6-10, above conditions are met and cleared by physician

If student is exposed to someone with COVID-19 in or outside the classroom, including home contacts:

- **If fully vaccinated (have received all doses of vaccines, including booster, if eligible)**
- May remain in school as long as continue to be asymptomatic
- Wear a mask at all times in classroom for at least 10 days (quarantine ends 10 days after the last day of exposure to the positive case), test on Day 5 if possible
- -May continue extracurricular activities; mask at all times while not actively performing or actively playing during your sporting activity
- If symptoms develop, get a test and stay home. If positive, follow isolation guidance. If test is negative, return to school when symptoms have resolved.

If student is exposed to someone with COVID-19 in or outside the classroom, including home contacts, continued:

- **If unvaccinated or partially vaccinated:**
- Stay home for 5 days after the last day of exposure to the positive case; test on Day 5 if possible
- Return to class on Day 6 if asymptomatic, wear a mask at all times in classroom for at least 5 days (quarantine ends 10 days after the last day of exposure to the positive case)
- No extracurricular activities for 5 days of home quarantine. May resume Day 6 only if able to wear a mask at all times (including while actively performing or playing during your sporting activity) for Days 6-10.
- If symptoms develop, get a test and stay home. If positive, follow isolation guidance. If test is negative, return to school when symptoms have resolved.

At this time masks are highly recommended, but not required for students and staff. However, LCS has added some options available for families in regard to contact tracing.

- **Students may avoid being quarantined as a close contact by PROPERLY wearing a mask at all times (except for lunch) and maintaining a social distance of 3 feet.**
- **Those students 5 years of age or older may avoid quarantining as a close contact if fully vaccinated.**
