

Dear 5th, 6th, 7th, & 8th, Grade Parents,

As we look forward to the fall and winter season, it is time to begin thinking about the next fundraiser for the Washington DC trip. Each fundraiser is an excellent way for students to earn money toward the cost of their 8th grade DC trip. All of the 5th-8th graders are encouraged to take advantage of these fundraisers to help earn their way to DC.

The poinsettia fundraiser begins now and ends November 20th. **THIS YEAR ALL ORDERS WILL BE ONLINE.** The poinsettias will be coming from Schlegel's Greenhouse in Indianapolis. The poinsettias are described as 15 inches tall, 14-16 inches in spread, with 5-7 blooms, and in a 6 inch pot. The colors available include red, white, pink, ice crystal (red with white in the middle), and marble (white with pink in the middle). **Each six inch pot sells for \$16.00 which entitles the student to a profit of \$6.**

This year we also have porch pots and various house plants. The indoor plants would make great Christmas gifts with the small addition of a decorative pot. These range in price from \$16-\$59. **Each student will be entitled to a profit of \$5-\$10 dollars on the various houseplants.**

All orders must be BE PROCESSED ONLINE no later than Wednesday, November 20th. Parents were emailed their students' unique ordering site today. If you did not receive the email please use the QR code and enter the students Quick Lookup Code listed on the label with the item description.

If any poinsettias are ordered for use in the churches students MUST record this information on the sheet attached and return to school on NOVEMBER 20th. Extra sheets are available online at www.lcsaints.net. If you plan to text family and friends your unique order site link, I would suggest including this at the end of your message:

Thank you for considering placing an order to help support my Washington, D.C. Trip. If you would like to have your poinsettia(s) delivered to St. Peters, Trinity, or Wegan please place the order and text me the name of the church, the color of the poinsettias to be delivered, and the number to be delivered.

The flowers will be delivered on Wednesday, December 4th and should be picked up between 3:30-5:00 pm in the LCS Gym. Students and families must deliver their orders. An order summary will be provided for families prior to the delivery date.

If you have any questions regarding this fundraiser, please contact the school office. Thank you for your continued support.

In His Service,

Jami Stuckwisch
